

## What will the 3-lane project include?

- Three lanes will relieve congestion and improve safety until funding for five lanes becomes available
- The three-lane project will include:
  - One lane in each direction, from Antelope Drive to 1900 West
  - A center turn lane along the length of the corridor  
(in some areas, a center turn lane already exists)
  - Adding right-turn lanes where appropriate
  - Re-surfacing the roadway where needed
  - Sidewalks, curb, gutter and bike lanes are not part of the 3-lane project

### Cross-section of S.R. 108 three-lane project one lane in each direction, center turn lane

The three-lane project will improve safety and reduce traffic congestion
